## 2. Which functions are required? 3. Select your piece of furniture...

Screen size

**IMPORTANT** ALL ERARD MOUNTS INCLUDE THE FOLLOWING:

- A hardware kit to fix your TV mount to the screen

\*The map is based upon the technical characteristics of the LCD and Plasma screens available on the current market and ERARD furniture characteristics. Those technical information is listed in the following pages. We advise users to confirm their choice by taking into account the dimensions of the attachment arms and maximal screen weight limit (kg).

... And confirm your choice by checking with the product pages\*

19"	23"	26"	30"	32"	42"	46"	50"	60"	65"
