1.3 HDMI Cable p 12

## Home Cinema

Limited edition cables made from OFC treated copper and equipped with gold plated connectors.

The Home Cinema range ensures sharp picture resolution and optimal luminosity.

For purity and integrity of the digital audio-video signal restitution...

## SCART Cable

SCART Male / Male  
21 pin connected - Gold plated contacts - Shielded cable  
6 components + 1 audio quarte + 3 composites + 1 ground.

Length : 1.50 m  
5 ft

ref : 6126

Home Cinema

## SCART Adapter / 3 RCA + S-Video

SCART Male / 3 RCA stereo video Female + S-Video Female.  
Allows to convert RCA audio-video signal or S-Video signal to SCART connection.

IN / OUT switch

ref : 6179

## Component Video Cable (RVB - YUV)

3 RCA video Male / Male  
Allows to transfer an analogue or digital video signal (RVB or YUV) between two multimedia components.

Length : 1.50 m  
5 ft

ref : 6130

## Stereo Audio Cable

2 RCA stereo Male / Male  
Allows to transfer an analogue stereo audio signal between two multimedia components.

Length : 1.50 m  
5 ft

ref : 6101

## Composite Video Cable

1 RCA coaxial Male / Male - Certified 75 Ohm  
Allows to transfer a digital audio signal or an analogue video signal between two multimedia components.

Length : 1.50 m  
5 ft

ref : 6001

## S-Video Cable

S-Video (4 pin) Male / Male  
Allows to transfer an analogue video signal (luminance + chrominance) between two multimedia components.

Length : 1.50 m  
5 ft

ref : 6148

## 1.3 HDMI Cable

**1.3**  
Compliant

HDMI Male / Male  
Allows to transfer a digital audio-video signal (Full HD 1080p and DTS HD) between two multimedia components.

Length : 1.50 m  
5 ft

ref : 6155
